

Terms Of Service

The following Terms of Service ("TOS," "Terms" or "Agreement") apply to your use of our website and all services, features and/or content provided by Genhost Webhosting Solution ("Genhost," "us," "our"). Genhost is the trade name of Genhost Webhosting Solution. By purchasing one or more Services from Genhost Webhosting Solution, you declare that you have read, understood and agree to be bound by this TOS. The latest version of our TOS is always available on the Genhost Webhosting Solution website. It is essential that you read this TOS prior to purchasing any Service(s) from Genhost Webhosting Solution.

Customer & Resellers Agreement

The TOS apply to all Services provided by Genhost Webhosting Solution to you throughout the entire Term or Renewal Term. All customers & Resellers should agree on all terms and conditions stated prior to their signing up for any of the hosting plans and services mentioned on Genhost Webhosting Solution. You shall agree to use only licensed and legal third party softwares in connection with your use of our services. Genhost Webhosting Solution reserves the right to suspend or cancel a customer's access to any or all services provided, at any time, or when Genhost Webhosting Solution decides that the account has been inappropriately used or otherwise.

Content

- Genhost Webhosting Solution reserves the right to refuse service and/or access to its servers to anyone. The services provided by us must be used for lawful purposes only. Transmission, storage, or presentation of any information, data or material in violation of any applicable law or regulation is prohibited.
- The activities listed below are meant to provide you with examples of activities and content that are strictly prohibited.
- Topsites, ponzi or pyramid schemes, prime banks programs, bank debentures/bank debenture trading programs, cryptocurrency/bitcoin miners, forex, e-gold, proxy, bots, spam bots, mail bombers, port scanners, IP scanners, mail harvesting scripts, brute force scripts, chat rooms, banner rotators, file dumps, using disk space as secondary storage, sales of illegal pharma, drugs, explosives, anonymous or bulk sms gateways, malware, warez, phishing materials, lottery, gambling, illegal downloads, pirated software distributions, escrow, high yield investment programs, adult thumbnail galleries/banner exchanges, streaming or broadcasting of live copyrighted events, Social media bots,SSM Panels, Fake Courier Websites. Websites promoting illegal activities or linking to other websites that promote illegal activities, Hosting/Streaming Videos/Music.
- Website content that promotes or advocates human trafficking in any way shape or form as determined by Genhost Webhosting Solution's sole discretion, sites that promote prostitution, or escort services.
- Any website found to host child pornography, link to child pornography or exploitative content will be suspended immediately without notice or warning.
- Adult materials – Includes all pornography, erotic images, or otherwise lewd or obscene content. The designation of "adult material" is left entirely to the discretion of Genhost Webhosting Solution.
- Embedding or uploading audio/video/high resolution images on website or linking to other websites that promotes audio/video/high resolution images.
- Illegal Material - This includes copyrighted works, commercial audio, video, or music files, and any material in violation of any regulation or material that is perceived to be misleading.
- Warez - This includes, but is not limited to, pirated software, ROMS, emulators, phreaking, hacking, password cracking, IP spoofing and encrypting of any of the above. It also includes any sites which provide "links to" or "how to" information about such material.

- Games - We strictly do not allow to host any kind of games on our servers. Your hosting account would be immediately terminated if we found any gaming related stuff in your hosting account.
- IRC Hosts - Hosting an IRC server that is part of or connected to another IRC network or server or have a connection to an IRC network. Servers or Virtual hosting accounts, found to be connecting to or part of these networks will be immediately removed from our network without notice. The server would not be reconnected to the network until such time that you agree to completely remove any and all traces of the irc server, and agree to let us have access to your server to confirm that the content has been completely removed. Any server guilty of a second violation would result in immediate account termination.

Genhost Webhosting Solution reserves the right to deem any other content or literature as "prohibited" if found to be indecent, rude, hate content & generally unacceptable.

In compliance with DMCA act, Genhost Webhosting Solution has adopted procedures for parties who believe that a hosted site on our service is infringing their copyrights. All copyright complaints must be submitted to abuse@genhost.in

Abuse Of Resources

- Any attempts to compromise or actual compromise of a network device belonging to Genhost Webhosting Solution or any other company, individual, or other entity is strictly prohibited. This offense also includes port scanning, IP range scanners and vulnerability scanning. All infractions and or suspected infractions will be vigorously investigated and may result in immediate termination of service.
- Denial of Service (DOS) attacks directed at Genhost Webhosting Solution, or any attempts to launch a Denial of Service attack from our servers are strictly prohibited. All infractions and or suspected infractions will be vigorously investigated and may result in immediate termination of service.
- Hosting any software, source code or any other material that is illegal or could be used to commit an illegal act is strictly prohibited. This includes but is not limited to software exploits; exploit source code, hacking tutorials, hacking tools, viruses and Trojans, bomb making and similar device tutorials. All infractions and or suspected infractions will be vigorously investigated and may result in immediate termination of service.
- The hosting of material that infringes on any copyright, trademark and or service mark is strictly prohibited. This also includes the storage and transmission of pirated movies, music, software, ring tones or anything else considered "Warez". Any authentic complaint received will be investigated and may result in termination of service.
- The hosting of defamatory, scandalous, or private information about a person without their consent, intentionally inflicting emotional distress, or violating trademarks, copyrights, or other intellectual property rights.
- Any attempts to undermine or cause harm to any of our servers is strictly prohibited. We hold no responsibility for the use of our clients' accounts. Any account that abuses the resources and actions are not taken to desist the activity, calls for immediate deactivation without any refund.
- Any site using what we deem to be using excessive CPU cycles or any resources that cause strain to other sites may also be offered new terms (i.e., upgrade). Although we offer 99% up time we can not fully guarantee this, this is due to the updates and up-gradation we carry out which is also a part of our maintenance.
- If any client is in any way disrespectful towards any member of the Genhost Webhosting Solution staff we have full right to remove them from our services without any refund.

Unsolicited commercial e-mail/Unsolicited bulk e-mail (SPAM)

- Use of our service to transmit any unsolicited commercial or unsolicited bulk e-mail is expressly prohibited. Violation of this SPAM policy will result in severe penalties.
- Upon notification of an alleged violation, we will initiate a full scale investigation during which, we may restrict customer's access to the network to prevent further violations.
- If a customer is found to have violated our policy, we may, at our sole discretion, restrict, suspend or terminate the guilty hosting account. Further more, we reserve the right to pursue civil remedies for any costs associated with the investigation of a substantiated policy violation. We will notify law enforcement officials if the violation is believed to be a criminal offense.
- Anyone using our service to host websites or services that support spammers or cause any of our IP space to be listed in any of the various Spam Databases will have their account(s) immediately suspended and an administrative fee of \$100.00 will be charged to your account.
- The account will not be unsuspended until such time that you agree to remove any and all traces of the offending material immediately upon reconnection. First violations of this policy will result in a warning and your account will be reviewed for possible immediate termination. A second violation may result in an immediate termination of your account and the administrative fees will be \$200. Severe violations may result in immediate and permanent removal of the account(s) from our network without notice to the customer.
- We have a zero tolerance policy for the use of our service towards posting of messages or commercial advertisements which violate the rules, regulations, or charter of any newsgroups or mailing list. Commercial messages that are appropriate under the rules of a newsgroup or mailing list or that are solicited by the recipients are permitted.
- We also prohibit hosting of publicly-accessible "open relay" SMTP or anonymous remailer service for any purpose, cause, or reason what-so-ever.

Bandwidth

TRUSTED HOSTING PARTNER SINCE 2013

Genhost Offers Unlimited Bandwidth with All Hosting & Reseller Plans. UNLIMITED Means we didn't limited anything for your initial usage but you are about the consider upgrading as per your business/website needs incase of heavy usage.. Shared Environments (Shared/Reseller hosting/Master/AlphaReseller) are only for Initial/Average level of websites.

VPS/Dedicated Servers Bandwidth will be Unlimited but if we found any VPS/Dedicated Server using Morethan 1 TB Per day You should considering upgrading your Network Speed with Paid Bandwidth Once it has been noticed by our Datacenter Network Team.

VPS/Dedicated Rules

We generally recommend a control panel to manage and operate the VPS. All customers who have a Unmanaged VPS would have to configure the DNS, user accounts, mail accounts and other such activities pertaining to the configuration of such VPS' themselves. The support team will not be responsible for this.

We don't maintain any type of backups for your Cloud/VPS/Dedicated Servers !

Commercial Advertising- Email (SPAM)/UNSOLICITED COMMERCIAL EMAIL (UCE)

- Spamming, sending unsolicited emails from our servers or using email addresses that are maintained by us is STRICTLY prohibited and will qualify your site for immediate deactivation with no refund. Genhost Webhosting Solution would be the sole arbiter as to what constitutes a violation of this provision.

- In order to ensure that our shared servers, cloud & vps nodes as well as dedicated server hardware node give us optimum performance we have set limits on the number of outgoing mails which can be sent per hour. Accordingly, shared & reseller customers would be allowed to send 150 outgoing mails per hour, Customers having VPS/Dedicated can able to set their Limits But incase of any Spam complaint Received Those VPS/Dedicated Port 25 Will be Blocked and Incase of multiple Abuse cases we have rights to keep such services on Suspension until you resolve the spam issue
- We do not guarantee Inbox email delivery with any of our hosting plans. Sugesstion Taking Dedicated IP Address in Shared/Reseller/Master/Alpha hosting will help you with Inbox Delievry (But we don't have any gurantee for it as it was something related to GMAIL/YAHOO/OUTMAIL and other mail services providers Mailing policies)

Backup & Dataloss Policy

- Your use of the Services is at your sole risk. You agree to back-up all of your User Content so that you can access and use it when needed. Genhost Webhosting Solution does not warrant that it backs-up any Account or User Content, and you agree to accept as a risk the loss of any and all of your User Content.
- You as a Genhost Webhosting Solution User agree that in no case, Genhost Webhosting Solution can be held responsible for the loss of data in any circumstances.
- We don't take any sort of backups in our servers, We do offer Jetbackup WHM Plugin Access which gives ability to Configure backup on your Own Destination like Google Drive,Dropbox,SSH,FTP,SFTP,Amazon Storage Extra. You need to maintain your backups at your own RISK !
- We Genhost Webhosting Solution are not responsible for any type of data loss happen in any cases on the Server.
- We don't maintain any Backups for your VPS/Dedicated Servers.You need to maintain an backup service inside your VPS/Dedicated Servers yourself.
- Clients using Hosting Backup Manager tool for backups should download the backup from the server and delete it. Weekly once, all the backup files are removed from the server without any notification. You are not allowed to use the hosting space to store backups.

Domain Policy

- **Domain Registrations:** No refund is applicable once the domain is registered.
- **Domain infringement:** You cannot register a domain name that is similar to a trademarked domain/a domain similar to a brand and is engaged in a business providing similar goods or services. Any person trying to register such domain name will be held liable for infringement of Trademark. Example: saleamazon.in , flipkartbazar.in and more..
- **Domain Renewal:** We will send you reminders to renew your domain one month before the expiry. For failure or delay in the renewal of a domain, we are not responsible. Once a domain is renewed no refunds will be given.
- **We don't offer any Refund for Domain Registration/Transfer/Renewal in Any Case !**
- Registration of Domain names with Banking Names are not allowed

Unlimited Policies

- **What "Unlimited" means** Unlimited Disk Space/Bandwidth/Website Plans. This means that we do not set a limit on the amount of bandwidth, websites or disk space you may use in the normal operation of a personal or small business website, provided it complies with this Agreement. However, in the event your service usage or content presents a risk to the stability, performance or uptime of our servers, data storage, networking or other infrastructure, you may be required to upgrade to a VPS, or we may take action to restrict the resources your website is utilizing.

- What "Unlimited" DOES NOT mean** Genhost Webhosting Solution employs complex mechanisms to protect its hosting Subscribers and systems from any kind of abuse. Genhost Webhosting Solution's "Unlimited" hosting offering is not for single or few hosting subscribers to unfairly or adversely impact the experience of other hosting Subscribers. Genhost Webhosting Solution's service is offering shared hosting service, which means that multiple hosting Subscriber's websites are hosted from the same server and share server resources. Genhost Webhosting Solution's service is designed to meet the typical needs of small and medium sized businesses across globe. It is NOT intended to support the sustained demand of large enterprises, or non-typical applications better suited to a VPS or a dedicated server. Genhost Webhosting Solution will make every commercially reasonable effort to provide additional resources to Subscribers who are using their website(s) consistent with these Terms, including moving Subscribers to newer and bigger shared servers as necessary. However, in order to ensure a consistent and quality experience for all Subscribers, Genhost Webhosting Solution does place automated safeguards to protect against any website growing too quickly and adversely impacting the system until Genhost Webhosting Solution can evaluate said sites resource needs.
- Unlimited Hosting Space; excessive SQL Database** Genhost Webhosting Solution does not set any specific limits on the amount of disk space a hosting subscriber can use for their website, nor does Genhost Webhosting Solution charge additional fees based on an increased amount of storage used, provided the hosting subscriber's use of storage complies with these Terms. Please note, however, that the Genhost Webhosting Solution service is designed to host websites. Genhost Webhosting Solution does NOT provide unlimited hosting for online storage, videos, images, audio, games, installers, executable files, backups, or archiving of electronic files, documents, log files, web spider or indexer, irc, torrent, file sharing, peer-to-peer activities, testing environment etc., and any such prohibited use of the Services will result in the termination of hosting subscriber's account, with or without notice. Accounts with an excessive database size (i.e., more than 1 GB) negatively affect the performance of the server. Genhost Webhosting Solution may request that the database size be reduced to ensure proper performance or may disable the Subscriber's account, with or without notice. Hosting subscriber's can create multiple databases however size of each database should not be more than 1 GB.
- Unlimited File Transfer** Genhost Webhosting Solution does not set any limits on the amount of visitor traffic a website can receive or on the amount of content a hosting subscriber can upload to his/her/its website in a given month, nor does Genhost Webhosting Solution charge additional fees based on increased use of bandwidth, as long as the hosting subscriber's use of the Services complies with these Terms. In most cases, a hosting subscriber's website will be able to support as much traffic as the hosting subscriber can legitimately acquire. However, Genhost Webhosting Solution reserves the right to limit processor time, bandwidth, processes, or memory in cases where it is necessary to prevent negatively impacting other hosting subscribers.
- Unacceptable Resource Usage**

 - Run cron entries with intervals of less than fifteen (15) minutes.
 - Run any MySQL queries longer than sixty (60) seconds.
 - Using more than the Allocation resource will result your website with Resource Limit Exceeded error. We will check for such logs weekly once and Accounts with high number of Faults (Exceeded) will be suspended and Given with Single IP Access until It was optimized to use Below. If we get such type of exceeds multiple times you should consider taking VPS/Dedicated Server as per your Usage needs
 - The Email usage should not exceed 2 GB Per Hosting.
 - "Unlimited" usage policies and definitions apply to All the Shared Environment Plans Shared/Reseller/Master/Alpha Reseller Hosting Plans.

Server Resource Usage :

- The space on the shared environment hosting packages can only be utilized for web files, and hosting a user's website. This space should not be used for media storage or for storing other data such as storing electronic files, saving website backup, FTP host or for demo purposes. We hold the right to inspect every shared hosting account for extra utilization of disk space, CPU and other resources that may be violated of this Agreement or the AUP.
- We may terminate access to the Services at our sole discretion, or takedown or erase User Content for those accounts considered to be in violation of these Terms and Conditions and other policies. Dedicated and VPS usage limits will depend on the amount of resources allocated to the plan that you have purchased.
- Every Accounts created on the shared Environment (By you/yours Resellers) Should not exceed the Below allocation.Exceeding the LVE Allocation by any Account/Hosting under the server will result in that corresponding account suspension with/without notice.

LVE Limitations for SSD Plans as Follows:

CPU	RAM	IO	IOPS	EP	NProc	iNode Limit
100%	2 GB	4 MB/s	2048	50	100	500000

LVE Limitations for HDD Plans as Follows:

CPU	RAM	IO	IOPS	EP	NProc	iNode Limit
200%	2 GB	4 MB/s	2048	50	100	500000

The LVE Limitation Above is allocated for Per Hosting and It will be fixed for each Hosting you are creating.

Reseller Terms and Client Responsibility

- You/Your Clients should use the Hosting packages you are selling from our services should obey our Terms of Service and other policies.If any Violation of Policies we had rights suspend/terminate such accounts from our servers inorder to protect our Servers/Network from Overloading/Malwares/Abuses cases.Its your Responsibility to inform about the Policies on your Websites/Brand Page
- Using a shared hosting account to resell web hosting to others is not allowed. Reseller hosting plans to be considered if you want to become our reseller.
- As an Reseller You are responsible for your Reseller account activities,datas and How they are using the hosting. Its your Responsibility to have an eye on your client accounts to avoid Malwares/Abuses
- Resellers must assure that each of its clients, follow this Agreement.
- Resellers are responsible for their client websites backups and backup configuration from their WHM. We are not responsible for any Data Loss or Backups
- Resellers are completely responsible for supporting their clients including customer service, billing and technical support. We are not liable to provide support to Reseller Users. Any assistance needed for the client's issue must be reported by the reseller on the user's behalf.
- Resellers are solely responsible for any content that is stored or transferred under their reseller account and the actions of their Users. We may hold any reseller responsible for any activity from their client's account that violates the law or our Agreement.
- The Company shall not be kept liable for the acts or omissions of our resellers. The reseller hereby promises to indemnify the Company to and against any and all claims brought by any Customer resulting from the actions or omissions of the reseller.

- The Company retains the right to review our Reseller plan anytime necessary. Changes shall take place as posted publicly or at any later date as the Company can designate.

Uptime Guarantee

- Any service interruptions or downtime due to scheduled maintenance by Genhost Webhosting Solution or our network providers will not count towards the uptime guarantee.
- Genhost Webhosting Solution is not liable in any way for failure of third party services.
- Genhost Webhosting Solution will not be liable for failure or delay in performing its obligations if such failure or delay is due to circumstances beyond its reasonable control, including but not limited to acts of any governmental body, war, insurrection, sabotage, embargo, fire, flood, strike or other labour disturbance, interruption of or delay in transportation, unavailability of, interruption or delay in telecommunications or third party services (including DNS propagation), failure of third party software or hardware or inability to obtain raw materials, supplies or power used in or equipment needed for provision of the Services.

Account Security

- You are responsible for any misuse of your or your clients account therefore, you must take steps to ensure that others do not gain unauthorized access to your account. In addition, you may not use your account to breach the security of another account or attempt to gain unauthorized access to another network or server.
- Your password provides access to your account. It is your responsibility to keep your password secure.
- Sharing your password and account access with unauthorized users is not recommended. You should take care and prevent others from using your account since you will be responsible for the consequences.
- Attempting to obtain another user's account password is strictly prohibited, and will result in termination of service.
- You must adopt adequate security measures to prevent or minimize unauthorized use of your account.
- You may not attempt to circumvent user authentication or security of any host, network or account. This includes, but is not limited to, accessing data not intended for you, logging into or making use of a server or account you are not expressly authorized to access, or probing the security of other networks. Use or distribution of tools designed for compromising security is prohibited. Examples of these tools include, but are not limited to, password guessing programs, cracking tools or network probing tools.
- You may not attempt to interfere with service to any user, host or network ("denial of service attacks"). This includes, but is not limited to, "flooding" of networks, deliberate attempts to overload a service, and attempts to "crash" a host. Users who violate systems or network security may incur criminal or civil liability. Genhost Webhosting Solution will cooperate fully with investigations of violations of systems or network security at other sites, including cooperating with law enforcement authorities in the investigation of suspected criminal violations.
- It is your duty to make sure all the programs/scripts installed under your hosting account are secure and permissions of directories are set properly, regardless of the installation method. When at all possible, set permissions on most directories to 755 or as restrictive as possible. Users are ultimately responsible for all actions taken under their account. This includes the compromise of credentials such as username and password. You are required to use a secure password. If a weak password is used, your account may be suspended until you agree to use a more secure password. Audits may be done to prevent weak passwords from being used. If an audit is performed, and your password is found to be weak, we will notify you and allow time for you to change or update your password before suspending your account.
- The Services, including all related equipment, networks and network devices are provided only for authorized customer use. We may, but is not obligated to, monitor our systems, including without

limitation, to ensure that use is authorized, to facilitate protection against unauthorized access, and to verify security procedures, survivability, and operational security. During monitoring, information may be scanned, examined, recorded, copied and used for authorized purposes. By using the Services, you consent to monitoring for these purposes.

- Any account found connecting to a third party network or system without authorization from the third party is subject to suspension. Access to networks or systems outside of your direct control requires the express written consent of the third party. We may, at our discretion, request documentation to prove that your access to a third party network or system is authorized.
- Any account that is found to be compromised may be disabled and/or terminated. If you do not clean up your account after being notified by us of an ongoing issue, we reserve the right to keep your account disabled. Upon your request, we may clean-up your account for an additional fee.
- We reserve the right to migrate your account from one data-center to another in order to comply with applicable data center policies, local law or for technical or other reasons without notice

License Policies :

- Licenses Offered by Genhost webhosting solution can be used only our Our Servers only.Using the License on other servers which is not belongs to us will result in License suspension/termination and No Refund will be offered

Coupon/Discount Code :

- Discounts and coupon codes are reserved for first-time accounts or first-time customers only and may not be used towards the purchase of a domain registration unless otherwise specified. If you have signed up using a particular domain, you may not resign up for that domain using another coupon at a later date. Any account found in violation of these policies will be reviewed by our sales department and the appropriate invoices will be added to the account. Coupon abuse will not be tolerated and may result in the suspension or termination of the account.
